Dear Sir:

On September 18, 2003, applicant submitted an Amendment in response to a June 18, 2003 Office Action in connection with the above-referenced application. On October 10, 2003, applicant received a "Notice of Non-Compliant Amendment (Voluntary Revised Practice)" which stated that the amendment did not comply with 37 CFR 1.121 because (a) not all claims were listed, and (b) the claims were not presented in ascending numerical order. The Notice further stated that applicants were required to resubmit the amendment in the format specified by 37 CFR 1.121 within one month of the date of mailing of the Notice (i.e., November 10, 2003).

Applicant believes that the Examiner objected to the September 18, 2003

Amendment because a listed of cancelled claims 13-70 was inadvertently omitted.

Applicant has listed claims 13-70 and identified them as being cancelled in the attached "Resubmission of Election and Amendment". Accordingly, applicant respectfully submits that the replacement Preliminary Amendment complies with 37 CFR 1.121.

Applicant requests entry of this replacement Preliminary Amendment and an action on the merits.

Respectfully submitted,

PILLSBURY WINTHROP LLP
